

REMARKS

This Amendment is filed in response to the Final Office Action dated November 16, 2006, which has a shortened statutory period set to expire February 16, 2006.

Allowable Subject Matter/Statutory Subject Matter

Applicants appreciate the Examiner's indication of allowable subject matter. Specifically, Claims 2, 3, 6, and 7 are objected to, but would be allowable if rewritten to overcome the 101 rejection.

Applicants greatly appreciate the Examiner's clarification of the 101 rejection of Claims 2, 3, 6, and 7 and his suggestions for amendments to such claims (provided during a telephone interview on February 15, 2007). Applicants have amended Claims 2, 3, 6, and 7 to recite: "A computer-readable medium embodying instructions that when executed by a processor would provide a tool set ..." (as suggested by the Examiner). Based on these amendments, Applicants respectfully request reconsideration and withdrawal of the rejection of Claims 2, 3, 6, and 7.

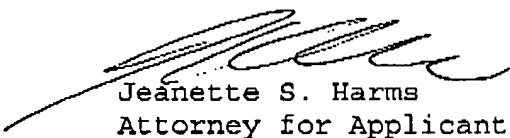

CONCLUSION

Claims 2, 3, 6, and 7 are pending in the present application. Allowance of these claims is respectfully requested.

If there are any questions, please telephone the undersigned at 408-451-5907 to expedite prosecution of this case.

Respectfully submitted,

Customer No.: 29477
